RE-ELECT SENATOR PARKMAN!

Once again the people of San Mateo County have their good American priviledge of reelecting Senator Parkman, who for the past twenty-two years has served so well this county in general and this Brisbane community in particular.

It is to the personal credit of Senator Parkman that the beneficient legislation exists whereby it became possible for Brisbane to develop from a sparsely settled area of a few crudely built shacks to the present community of dignity, stability and consequence.

Repeadetly and constantly, during his incumbency, Senator Parkman has worked long and effectively to adopt, amend and revise the laws so essential to the well-being of communities like Brisbane in the process of their development. Much of that was, it is well known, at Brisbane's request. Senator Parkman has never hesitated.

Another particular feature is that nothwithstanding party labelling as required by law, Senator Parkman is essentially non partisan. In proof of that characteristic, how well it is known that the present day nonpartisan form of county government is indeed largely the fruit of Senator Parkman's efforts.

The Senator regards himself as the personal friend of all people. He cultivates no favorites. It is as it should be. He is for us and we are for him.

MEMORIAL DAY SERVICE BOUQUETS NEEDED!

Brisbane Post No. 473 American Legion won special recognition in 1947 for decorating 240 graves in Golden Gate National Cemetery, This year they have undertaken a much larger obligation and need donations of bouquets from the people in Brisbane. The Boy Scouts and Scout Clubs of San Mateo County have volunteered their services to help with the bouquets at the cemetery. Your contribution of flowers will be accepted on May 29th and by phoning Dick Fassett, JUniper 5-6729 arrangements will be made to collect flowers at your home, provided it is impossible for you to deliver them to the American Legion Hall.

Everyone's cooperation is needed to assure every grave being decorated on Memorial Day.

An everage of twenty veterans a day are being buried at Golden Gate National Cemetery at this time and demands on our community are much greater than ever before.

NOTICE!

The grass is getting dry very rapidly and will be ready to burn in the near future. We would like at this time to ask the people to cut the grass at least three to five feet away from fences, hedges, trees or gardens. By doing this it will make it much easier for firemen to get the grass burned and also to protect your own property.

HOME TOWN FOLKS

Sympathy is extended to the family of Mrs. Grace Osborne who passed away on Monday, May third.

She was a native daughter of California and lived in Brisbane for the past eight years coming here from San Francisco.

Mrs. Osborne leaves her husband Bert and three sons, Harry and George Learned of San Francisco and Kirby Learned of Brisbane (a member of the Brisbane Fire Department).

Funeral services were theld a 10:30 A. M. on May 5th and interment was at Holy Cross Cemetery.

Mrs. Scott, owner of the Fountain of Youth, reported a game machine at said place had been broken ito May 2.

Interest inside the restaurant had been diverted due to a large crowd which had been gathered in front of the building viewing a parade and the robber had worked undetected.

A screw-driver had been used to force the money drawer open and approximately $12.00 had been taken.

Mrs. Alfreda Leighton of 148 Visitacion Avenue recently received treatment at South City Emergency Hospital for injuries received at her home.

She had been listening to a radio program and on arising from her chair had slipped and fell striking and breaking through a glass door nearby.

Carl Silva of 274 Visitacion Ave., celebrated his seventh birthday on April 25th and it stands out a "red letter" day in his estimation. After enjoying a beautifully decorated cake and receiving gifts his parents took him to Midget Races at Belmont and an exciting time was had. The highlight of "the day" came when he posed for a picture with George Pecheco winner of the 25 mile lap race.

Mrs. Madge Dallas, mother of Mr. and Mrs. Ed. Brenzel of 320 Mendocino Street, recently flew here from Honolulu to make an extended visit. Mrs. Dallas made her home in Hawaii with her son Mr. Francis McKinney who is superintendent of schools throughout the islands. Mr. McKinney knows Brisbane very well having lived in this town in its very early days.

Little Jo Ann Bennett, who has been very ill with spinal meningitis is out of danger from latest reports. Mr. Bennett, former pastor of the Baptist Church, came back from overseas to be with his little daughter. He wishes to thank all his Brisbane friends for their sympathetic messages. The doctors believe she will be completely well again, after several weeks of convalescence.

Mrs. Louis Stone of 233 Klamath Street has completed her duties at Phil's Fountain because of ill health. We'll miss you, Wanda!

BASEBALL SEASON IS HERE!

BASEBALL SEASON IS HERE

The Recreation Director would like to have all boys from 9 to 15 contact him for the forming of a couple of basebal teams. The two teams in mind will be:

One from 9 - 10 - 11
and One 12 - 13 - 14 - 15.

The teams will be formed even with the field in its present condition.

The Director feels we can get enough outside games to keep us happy even though we at the present can't very well invite someone to play on our field in its condition.

The Director would also like to form a girls' softball team if enough girls are interested. It will be of high school age girls only, as the risk of smaller girls is too great. If you gals are interested, please contact the Recreation Director.

FIRE COMMISSIONERS MEETING

The regular meeting of the Board of Fire Commissioners was held in the Fire House April 6, 1948 with Commissioner Allen presiding. Commissioners May and Rook were present. Minutes for the meeting of March 2 were read and approved.

Chief's report and ambulance report were read and accepted. Chief recommended that we purchase a lighting system, portable type with two 100-foot extension cords. The Marshal's and Maintenance reports accepted.

Mr. Rook suggested that we again contact the State Fire Marshal's office regarding following up and enforcing our previous inspections of buildings.

Upon the conclusion of old business, Mr. Robert Allen introduced the new members of the Board of Fire Commissioners, Mr. H. E. Woodard and Mr. David R. Reed. These members repeated their oath of office to the secretary. Mr. Woodard will serve a term of three years and Mr. Reed one year. Mr. William Rook is the new Chairman. Mr. Rook reaffirmed his desire to carry on to the best of his ability. Mr. Reed said he thought we had a very efficient Fire Department and would do his best as a Commissioner. Mr. Woodard said he thought a lot of Brisbane and would do all in his power to keep it going forward. He thought we should have some of the advantages enjoyed by people in other communities.

Mr. Woodard brought up the subject of trying to improve water conditions in Brisbane. He read report from the Board of Fire Underwriters egarding the present conditions of the Water Companies Two citizens cited instances regarding lack of water when needed. Motion by Commissioner Woodard seconded by Commissioner Reed and Commissioner Rook, yes, that the secretary write a letter to the Railroad Commission asking for information as to what had transpired between the Commission and the Water Companies.

The meeting adjourned at 9:30 upon Commissioner Woodard's motion.

FLOWER SHOW

Norvell Gillespie, General Manager of the San Mateo County Floral Fiesta, Max, Leonard, County Agricultural Commissioner and Mrs. Oscar R. Thayer and Mrs. Henry Hellman of Burlingame, assisted in judging and clerking duties at the opening of the Oakland Flower Show.

According to Gillespie many of the exhibitors at the famous Oakland Show signified their intention of exhibiting at the San Mateo County Floral Fiesta in August, when the new auditorium is opened for the first time.

PARENTS' AND CHILDRENS' NIGHT

The Recreation Director is going ahead with plans for a Parents' and Childrens Night to be held at the Recreation Center on Tuesday evening at 7:30 P. M., on the 18th of May. The big attraction of the evening will be the presentations of the medals for the Boys' Championship, 110 lb. Basketball Team. Included in the evening's program will be the showing of reels of Sport Film.

The exact kind of Sport Film at present is undecided but it will be well worth the free admission charge.

We would like to have as many parents and children as possible down here for this event.

If for no ather reason, just to show our Champions that Brisbane is very proud of their wonderful showing in their first year of organized playing. We feel it an honor to be able to make these presentations and only hope we can make many more of them in the future.

GIFT PRESENTED TO BRISBANE FIRE DISTRICT

At the regular meeting of the Board of Fire Commissioners, held on Tuesday, May 4, 1948, Mrs. Frances May, presented a beautiful gavel to the Brisbane Fire District, accompanied by the following letter:

Brisbane Fire Commissioners,
Brisbane Fire Department and
To all whom it may concern
of our Brisbane Fire District:

Dear Associates and Friends:

I would like to express my pleasure in having served on this Board and to thank the residents of Brisbane, the Brisbane Fire Department, and the Commissioners with whom I served, for their kind courtesy and consideration.

In respect to the memory of my late husband, Charles H. May, Sr. whose unexpired term I served, I wish to present this little token, as a gift to the Brisbane Fire Commissioners.

With all best wishes for the success of the District, and the Department, and the newly appointed Commissioners, I wish to remain, always

Yours truly,
Frances May

SURPRISE STORK SHOWER

A very lovely surprise stork shower in honor of Mrs . Joseph Fiet of 473 Mariposa Street was given by Mrs. Alfred Pistohl at her home, 45 Slano Street on Thursday evening, April 28th.

The early part of the evening was spent playing rotating whist and prizes were awarded the highest scorers. Mrs. Anita Lumas receiving the highest score won first prize; Mrs. H. E. Woodard, second; Mrs. M. G. Hansen, third and Mrs. Arthur Kennedy, fourth. The consolation prize was awarded to Miss Harriet Hutton and a prize was drawn by Mrs. Robert Parrish from a bag of shuffled score cards.

Mrs. Fiet was the center of attraction as she was presented with a huge basket of gifts which proved to be both lovely and most useful.

Mrs. Pistohl's dining table was most attractively decorated. The center piece, a miniature bassinet in which snuggled a toy baby doll, was surrounded with pink and blue crepe paper ruffles and fresh blossoms encircled the outer edge. Pink and blue tapers lighted the very pretty scene.

A very special cake beautifully decorated for the occasion with rosebuds and a tiny pair of booties was presented to Mrs. Fiet. Refreshments of sandwich-loaf, relishes, cake and coffee completed a never-to-be-forgotten evening.

Guests attending were:
Mrs. Joseph Fiet, Mrs. M. G. Hansen, Mrs. Arthur Kennedy, Mrs. Anita Lumas, Mrs. L. Jenkins, Mrs. Stephen Rewak, Mrs. Ralph Adkisson, Mrs. Robert Parrish, Miss Harriet Hutton, Mrs. Frank King, Mrs. Chester Nail, Mrs. H. E. Woodard.

POPPY DAY

MAY 21st AND MAY 22nd, 1948

Dear Friends:

The American Legion Auxiliary and their assistants will be on the streets of Brisbane Friday and Saturday, May 21st and 22nd selling POPPIES for their rehabilitation and child welfare work. It is very interesting to know that the Poppy was the one touch of beauty which survived amid the hideous destruction of the World War Battle Front in Flanders, between the crosses row on row! The little wild poppies bloomed; nature's tribute to the battle dead.

The poppy was adopted as the memorial flower of the American Legion at the National Convention in Cleveland in 1920.

Each poppy that is sold was made by a disabled American War Veteran, aiding him to make something for himself. The making of poppies by the disabled veterans was begun in 1922. The crepe paper poppie was adopted to provide more interesting and beneficial work for the disabled.

In World War II the poppies again bloomed on European battle fronts and became the memorial flower of all American dead where ever they fell.

In behalf of the American Legion and Auxiliary, I appeal to every individual in the community to support this most worthy program.

ASK THE BUILDER

Q. My kitchen walls were originally finished with enamel paint. They look very bad, and I want to redo them. Can I simply apply a new enamel over the old surface?

A. I am sorry, but you can not simply apply a new enamel over an old surface and expect to have a beautiful wall. Preparing surface for painting is as important as painting. Clean your walls first or dirt, grease and loose paint. Then sandpaper the rough spots and fill holes and cracks with patching putty. Your preparations complete, apply one coat of flat paint, using the same color that you plan to finish with and let dry. Finish with one or two coats of enamel as required. You will find enamel is a good paint to use in bathroom and kitchen because it stands up well under frequnt washings.

"ALPHABET SOUP"

By Bill Herren

Dear Editor:

The response to Alphabet Soup has been teriffic. However the instigator of the whole mix-up has been out of town and his cartoon for this issue did not arrive in time to go to press.

"DIPPYNITIONS"

Hictionary — A prime requisite for the inexperienced home bartender. A book on how to mix the Hics into Cocktails.

* * *

Baxi — A baxi is a taxi equipped with steering wheel in the rear compartment for the joy and edification of Box-eat drivers.

One such contraption has been seen on the market, but the police made them park it.

Staples — Some people think they are the rudements of a substantial every day diet. We ate a bag full once and found it to be a painful experience. Later we saw a farmer using the very same things to tack up a barbed wire fence.

You can readily see how the language needs streambining!

* * *

Injuneer — Well, that's self-explanatory. The red-skin at the throttle of a locomotive in an Indian Engineer. So we've condensed that mouthfull into one word.

* * *

Stage-struck — This can be eliminated entirely. The rickity horse-drawn stage is a thing of the past so how can you get struck by one!

* * *

Milk Wagon — That's a phony! Butter might be solid enough to build a wagon out of - but not milk!

Golden Pan — It's a lie—it's made of iron and tin.

* * *

Dog Catcher — Now there's an error if there ever was one. We've been to a lot of ball games and there was always a man behind the plate.

Neither have we ever seen a dog pitcher at a ball game. You find those on the pages of Sportsmen's magazines and hanging on the walls of hunting lodges.

Diamond Seconds

Mrs. Newlyrich had been given an elegant wrist watch for Christmas. At a dinner party one evening, a lady leaned over to her and said: "Pardon me, but could you tell me what time it is?"

"Certainly," replied Mrs. Newlyrich peering at the dial. "It's two rubies past three diamonds."

HOMESICKNESS

A very dejected man walked into a restaurant one morning and sat down at a table.

"I want two eggs fried very hard, two slices of toast burnt black and a cup of weak, lukewarm coffee," he told the waitress.

"Are you sure that's just what you want?" she asked, amazed.

"To the letter."

The waitress explained to the chef and managed to get the man exactly what he had asked for.

"Anything else, sir?" she asked as she put the order on the table.

"Yes, now sit down and nag me. I'm homesick."

FOLK DANCING

800 Folk Dancers in San Mateo County have petitioned the County Fair Directors for possible use of the proposed new auditorium, one night a month.

"Folk dancing is enjoyed by adults and teen-agers from one end of the county to the other," said J. Sonderman of Millbrae, who is one of the leaders in the effort to secure use of the building for Wednesday night dancing. "We would like to have a county-wide spot where a monthly gathering of the folk dancers could be held. We would expect to pay a nominal fee for the use of the auditorium and would guarantee to have at least 500 people in attendance at these monthly festivals."

The petition was signed by representatives of the following folk dancing clubs:

J. Bradley Sonderman, Millbrae Happy Hoppers;
Ernest A Elliott, Burlingame Vagabonds;
Paul K. Johnson, Sea Side Shufflers, Sharp Park;
Wiliam H. Powers, South San Francisco 49ers;
Hilma Freese, San Carlos Peasants;
Mildred P. Buhler, Redwood City Docey-Doe Club;
Gladys Smith, Tenderfoot Club, Burlingame;
Lauretta B. Keeler, San Mateo Gypsies;
and Denver Sutton and Anita Pitcher of the Village Dancers of Colma.

George Lagomarsino, president of the San Mateo County Fair Association indicated he would name a Policy Committee soon to handle requests from this and various oththers.

According to Norvell Gillespie, general manager of the San Mateo County Fair, a statewide gathering of folk dancers will convene and perform at the County Fiesta Sunday afternoon, August 15, 1946.

Surprise for Mom!

Miss Smith, young Joey's piano teacher, was having considerable trouble trying to get him to practice his exercises. Finally turning to him in despair, she said, "'Joey, don't you want to be a great pianist?"

"Ah, no," Joey spoke up. "These music lessons are just a waste of money. I'm going to be a prize-fighter when I grow up. But I'm keeping it from Mom as a surprise."

Banish the Thought!

Isadora Duncan, the great dancer, once wrote to George Bernard Shaw and suggested, or so the wits say:

"We ought to have a child, so it could inherit my beauty and your brains."

Shaw reportedly wrote back:

"Madam, I am flattered - but suppose it turned out to have my beauty and your brains?"

High Finance

Boy, does my butcher charge high prices! I asked him for a 15-pound turkey and he said: "Okay, how do you want it financed'?"

Recipe Department

Mrs. Dalma D. Stout of Brisbane contributes this excellent recipe for

CHOCOLATE DREAM CAKE

1 cup white sugar
½ cup brown sugar
½ cup shortening
2 eggs
2 teaspoons vanilla
3 - 1 oz. squares of unsweetened chocolate melted in ½ cup hot water
2 cups cake flour
¼ teaspoon salt
1 teaspoon soda
2/3 cup sweet milk or sour milk may be used.

Mix shortening until soft and smooth, add eggs, sugars and vanilla and beat until fluffy. Melt chocolate in hot water (over low heat), blend and cool slightly, and add to creamed mixture. Add sifted dry ingredients alternately with milk, beating after each addition until smooth, about 2 minutes by hand or at a medium speed electric mixer. Pour into two wax paper lined 8x8 in. layer tins and bake about 25 minutes in moderate oven (350 F. H.)

ICING:

(A delightful substitute for seven minute frosting)

Beat 1 egg white till stiff and very frothy, add 1 tablespoon of white Karo syrup and beat. Then heat in double boiler ½ can Marshmallow Topping and 1 tablespoon cream or top milk, add this to egg and syrup and gradually add enough powdered sugar to make a smooth creamy frosting. Add any flavor desired. Very good with a drop or two of mint.

Rarely, if ever does a man contribute to a recipe for a woman's column. Believe it or not here is an excellent mouth watering recipe for a salad dressing to go with your green salads sent to us from Mr. "Chuck" White of San Bruno, Calif.

SALAD DRESSING

1 very large garlic clove
½ teaspoon salt
2 teaspoons tomato ketchup
1 teaspoon Worcestershire sauce
½ teaspoon mustard
½ teaspoon sugar
2/3 cup salad oil
1/3 cup red wine vinegar
1 egg (optional)

Mash garlic clove fine with salt using a rounded instrument. Add ingredients and mix. Allow mixture to stand in refrigerator. Egg should be beaten separately and added to mixture just before salad greens are ready for use.

BASIC GREEN SALAD

1 medium head lettuce
½ bell pepper
4 stalks celery
4 green onions
4 tomatoes
6 radishes

Vegetables should be washed and dried and cut or sliced very coarsely and combined with above dressing tossed lightly together. Many combinations of raw vegetables may be used. Above recipe is more or less basic.

HELPFUL HOUSEHOLD HINTS:

To avoid tears in the eyes caused from pealing onions, hold a piece of fresh bread in the mouth. This absorbs the fumes of the onion. A tried and true tip!

Leftover fruitcake combined with favorite canned fruits and soft custard for an icebox pudding will bring plates back for seconds.

Stains are with us the year around and mildew is an especially annoying kind. Very fresh stains can be removed by simply laundering. Dry in direct sunlight. If not successful soak in solution of 1 pint of bleach to 1 gallon of water or spread stains with salt and lemon juice and place in direct sunlight. Mildew is a fungus growth which actually attack the fibres.

Decoratively and functionally, lamps play an important part in your home. In choosing them, look for fine proportions, simple lines, and correct height. Select either lamps with two or three sockets allowing for bulbs of varying wattage, or the new Certified lamps, designed to meet the most exacting specifications. Both varieties are adaptable for close work and general illumination. It is wise to buy lamps in pairs whenever possible because of the decorative value of in the arrangement of a room.

IN FLANDERS FIELDS

In Flanders field the poppies blow
Between the crosses, row on row,
That mark our place, and in the sky,
The larks, still bravely singing, fly,
Scarce heard amid the guns below.
We are the dead; short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.
Take up our quarrel with the foe!
To you from failing hands we throw
The torch; be yours to hold it high!
If ye break faith with us who die,
We shall not sleep, though poppies grow
In Flanders fields.
